

FCC sham

I am writing to you today to comment on Docket No. 02-277, The Biennial Review of the FCC's broadcast media ownership rules.

There are 300 million people in America and only 15,000 broadcast licenses. That gives one person in twenty thousand vastly more free speech than regular Americans.

There is no reason in the world to justify giving anyone two broadcast licenses.

The FCC is destroying democracy.

I WILL FIGHT!

Sincerely,
John Forde
